Form 990, Part III, Line 1 - Organization Mission

Global Visionaries (GV) is a youth-led organization that empowers, challenges and transforms young people into leaders with a global vision. GV educates youth from diverse socioeconomic, ethnic, racial and geographic backgrounds to become active leaders who promote social and environmental justice through education and service in the United States and abroad. Over the past 16 years, GV has grown to impact 460 youth each program year with an annual budget of just over \$1 million. Almost half of the program attendees come from low income families. GV provides scholarships so students are able to participate regardless of their financial situation. GV operates from its headquarters in Seattle, with satellite locations in Guatemala, California and Colorado.

GV offers three core youth leadership programs: 1) the First-Year Leadership Program involves local service projects, leadership training and a 15-day cultural immersion and work experience in Guatemala; 2) the GV Youth Board to maximize their potential as leaders; and 3) the Global Leadership Class, partnering with Seattle Public Schools to teach global leadership and 21st Century leadership skills. These programs offer a comprehensive set of experiences that reinforce GV's social and environmental justice mission.

For 16 years, GV has invested in developing extraordinary youth leaders by challenging cohorts of ethnically, economically, and socially diverse youth to collaboratively confront complex issues.

hours of leadership training and community service which included over 100 hours of Spanish immersion through experiential education. These youth gained critical thinking skills on overlapping international, economic, social, political, and environmental issues. Youth participated in four weekend retreats in which they learned teamwork, leadership, strategies for cross-cultural understanding, and how to be proactive advocates for social justice and environmental issues. 150 students enrolled in our in-school Global Leadership class and taught 90 elementary students about critical environmental issues facing our world. GV Guatemalan and U.S. students engaged in 83,000 hours of service and training: they built two new community center rooms, planted over 4,000 trees and volunteered over 2,800 hours in Hermano Pedro Hospital in Guatemala. Collectively, students contributed to conservation efforts in seven Seattle parks, gained environmental awareness and stewardship skills, participated in hands-on learning during eight visits to Local Roots organic farm, and participated in five social justice peer led workshops. Participants raised \$44,000 through philanthropic fundraising which included selling coffee from Guatemalan farmers, while learning the process of coffee making and international trade.
