

BREAKFAST & AUCTION TABLE CAPTAINS

THE PURPOSE: 50% of the Global Visionaries' operating budget, which includes scholarships, is raised through two fund development events: our annual Breakfast of Visionaries on February 6, 2018 and our annual Auction on May 12, 2018.

THE ASK: to ensure we fill these events with likely supporters, we ask our community members to be Table Captains, and recruit friends, neighbors, family and colleagues to our events.

THE ROLE: a table captain

- 1) Recruits/invites people to their table. A full table is 10 people, including, you, the captain.
- 2) Follows up prior to the event to remind people of the event and share any appropriate logistics (where to park, expected end time, dress code, etc.)
- 3) Encourages giving at the event
- 4) Passes out and collects appropriate forms, surveys, dessert 'bid" sheets, etc.
- 5) Sends thank you notes to guests after the event

GV would not be able to offer our program to a deliberately diverse group of youth leaders without the help of our table captains. As a table captain, you make our programs possible.

To sign up as a table captain, contact Caitlin Kaminski, 206-322-9448 or caitlinkaminski@global-visionaries.org.
