

CONFIDENTIALITY AGREEMENT

By checking the “Agree to Confidentiality Agreement” box on our Volunteer Signup Form, you agree to abide by the following practices.

I agree to hold all discussions, names, and contact information I encounter during my Global Visionaries (GV) employment in strict confidentiality. I will not share information I know, through my work with GV, about staff, volunteers, participants, board members or anyone else associated with GV with anyone outside of GV unless sharing that information is part of my job requirements.

I will not use any GV contact information of people, donors, funders, participants, and families for purposes unrelated to GV purposes. If I want to use GV contact information for personal reasons, I will first request permission from executive leadership.

I agree not to make photocopies of any written GV information for my personal reasons without written permission of Global Visionaries.

I will not use any materials, documents, resources, grants, etc. for any purpose other than GV without the expressed written consent by Global Visionaries. I will treat all GV materials and work as property of GV.
