# GLOBAL VISIONARIES

## Partner Sponsorship Opportunities

### **About Global Visionaries:**

Global Visionaries is a deliberately diverse youth-led leadership organization. Our multi-year leadership program is designed to frame local issues in a global context, helping Seattle students from across socio-economic circumstances come together and work as a team.

Our program challenges students to build relationships that extend beyond borders, stereotypes, and politics in order to inspire a new generation of global leaders. Youth participate in workshops, meetings, and local community service projects throughout the year while they prepare for a culminating two-week educational, cultural, and service immersion experience in Guatemala.

We believe that truly empathetic leadership is best developed through interactions with a diverse group of peers. Our goal is to recruit cohorts made up of 50% youth of color and 50% white youth; 50% youth from low-income families and 50% youth from middle-to upper-income families. Thus, Global Visionaries provides scholarships for participants ranging from 5-100% of their program costs.

### **About our Event:**

Each year we hold an Auction & Gala to help fund scholarships for our program participants. Our 18th Annual Auction & Gala will be held on June 1, 2019 at Block41 in Seattle. Our most successful fundraiser of the year, with a goal of 250 guests, this event includes a live & silent auction, raffles, games, and an opportunity to hear from students about their experience with the program.

Our goal is to raise \$100,000 to support diversity in our youth programs. Since 50% of our youth participants receive partial to full scholarships, this event provides funding for those who ordinarily would not be able participate in our life changing global leadership programs.
